

I am a listener to K-Love Radio FM 106.3 and 91.1 on my local dial here in the greater Fresno, CA area.  
It is important to me that my family have a station that they can listen to without my having to worry about the words and messages that hear -- K-Love provides that for me!  
Were it not for this radio station I would probably not even tune in to the FM signals.  
I believe that the service provided by K-Love is in the public interest so much so that I support it financially every month.  
Thank you for this opportunity to express my comments.
